### **STRATEGIC WEALTH PRESERVATION (SWP) BECOMES AN APPROVED DISTRIBUTOR OF THE ROYAL MINT OF BRITAIN**

Grand Cayman (November, 2016) – Strategic Wealth Preservation (SWP) is delighted to announce that it has been approved as a distributor of The Royal Mint of United Kingdom gold and silver bullion products. The Mint's world-renowned gold and silver Britannia and gold Sovereign coins, as well as their gold and silver bars, will be an excellent addition to SWP's ever expanding precious metals product line, providing its clients with even greater selection, value and liquidity within SWP's Cayman Islands vault.

Mark Yaxley, Operations Manager for Strategic Wealth Preservation said, 'We are very proud to have been selected by The Royal Mint as an approved distributor. Given the number of ex-pats living and investing in the Caribbean, the designation is a very meaningful one for us.'

Chris Howard, Director of Bullion for The Royal Mint said, "For centuries, The Royal Mint has been recognised across the world as a respected brand of the utmost integrity. We welcome SWP to our select network of gold and silver bullion distributors, and look forward to supporting them in making Royal Mint bullion even more easily accessible to precious metal investors in the Cayman Islands region."
